50th Anniversary Observed

The 50th Anniversary of the American Legion was celebrated by the Piscataquis County Council, American Legion, Saturday evening at the Stott-Flanders Legion Hall. Special anniversary decorations were used in the dining hall with a giant birthday cake being a feature of the supper.

Rev. Paul Bell of Guilford was the guest speaker, expressing his views of the Civil Rights Movement and Students for Democratic Society and other problems facing the nation. He told the members of this patriotic organization that he was a believer in law and order and stated he was "proud to be an American" and proud to be a "flag waver of the Stars and Stripes".

Rev. Bell said, "It is time that we treated every man exactly as we would choose to be treated." He further stated, "Let's stop talking and do something."

Named to serve on the Council nominating committee were Arthur Ambrose, Dexter; Atwood Lovell, Sangerville; Millard Fogg, Guilford and Bernard Stone, Dover-Foxcroft.

County Commander James Emerson conducted the business session calling for membership reports which were given by post representatives.

Department officials in attendance were Arthur Ambrose, Department Child Welfare chairman; and Atwood Lovell, Fifth District Commander.

Members were reminded of the State Birthday Celebration at the Waterville Legion Home, Saturday evening, March 22. The next meeting will be at the Guilford Legion Hall, April 19 with a Council supper being served at 6:30.

Dancing and a social hour completed the birthday observance.

Conner-Trafton Post & Unit Celebrate 50th Anniversary

Conner-Trafton Post and Unit #119, American Legion and its Auxiliary, celebrated the 50th Anniversary of its founding on Monday with a 6:30 supper.

The tables were beautifully decorated in Red, white and Blue with a centerpiece of red roses flanked by white vases of red poppies. The birthday cake was made by Mrs. Linwood Flan­ders and cut by the Unit President Erma Eastman.

Ten Past Commanders were honored with appropriate favors made by Helen Haley, and with a gift from the Unit. Three Charter members of the Post, William Edes, Grant Conley, and Leslie Conner, were present and presented a gift. Legionnaires and guests were welcomed by Unit President Erma Eastman.

Millard Fogg acted as Master of Ceremonies. An original poem written especially for the occasion by Eleanor Foley was read. Deceased veterans of all Wars and all Past Commanders were remembered and a blue rose was placed among the red roses in their memory. On behalf of the Unit, Mrs. Donna Fogg presented the Post Commander with a generous check. Get well cards were signed for Willis Stevens, Carlton Eastman, Myron Mitchell, Helen McDonald, Marion Bullar, and Nancy Jo Knowlton.

HATHAWAY REPORTS

From Congressman William D. Hathaway

The unusually thick blanket of snow which has accumulated in the fields and forests of New England this winter has provided memorable days of sport to skiers, snowmobile owners and other winter sports enthusiasts.

Now, as spring draws near, the snow poses a disturbing threat of floods. A sudden and lengthy rise in temperature or heavy rainfall in the next few weeks could spell disaster.

Responding to appeals from the Governors and municipal officials in the U.S. Army Corps of Engineers and Civil Defense Agency have joined forces in a coordinated effort to meet the threat of floods across the northern half of the nation. "Operation Foresight," as their effort is known, was organized in response to President Nixon's orders, and Federal, state and local officials are now at work identifying potential trouble spots and preparing for any emergencies.

So far, the Corps of engineers has obligated more than $2 million to meet the flood emergency, and experienced flood-fighters of the Corps have been deployed to threatened areas. State and County Civil Defense units are girding themselves to meet whatever emergency needs may arise, an activity in which they have distinguished themselves in the past.

In New England, potentially hazardous situations have been identified in 22 communities or lowland areas and checked by the engineers. Dams are being inspected and where necessary will be shored up to meet the heavy demands which may be made of them. Everything possible will be done to manage what at best will be a heavy runoff of snowmelt and could possibly reach flood proportions.

Let us hope that winter will take a reluctant leave, permitting the fields and forests of New England this winter has provided memorable days of sport to skiers, snowmobile owners and other winter sports enthusiasts.

The coming of Spring with its lengthening days and warming sun is a time of joy. This year, it will also be a time of high drama.

Let us hope that winter will take a reluctant leave, permitting a gradual runoff of snowmelt, and that no serious emergency will develop. But we will do well to heed the advice and cooperate fully with those who are preparing for the worst, and be grateful for the efforts of Civil Defense and Corps of Engineers personnel who will spend long hours to protect our property and lives.

WITNESSES TO HOLD ASSEMBLY AT MILO TOWN HALL

Headliner for the circuit assembly of Jehovah's witnesses in the Milo Town Hall this weekend will be "Share in the Most Urgent Work" of conducting home Bible studies with interested families.

How are interested persons found? By calling from door to door and offering free home Bible studies. Taking their ministry into private homes has been the hallmark of Jehovah's witnesses since Jesus used the method nineteen centuries ago.

Last year, world-wide, Jehovah's witnesses conducted more than 900 thousand Bible studies weekly in private homes. This disciple-making work resulted in 82,842 individuals being baptized and beginning the search for still other interested people.

Of the 300 thousand studies reported in the United States, 384 were conducted by the Witnesses in central and northern Maine.

Experiences related in the Yearbook show that these studies were conducted by Witnesses of a wide range of ages: small children to the aged. Even so, not all the 1-1/4 million Witnesses are sharing in this vital work.

The Saturday night program at the Milo assembly is designed to encourage each Witness to have a part in Bible study activity.

WITNESSES TO HOLD ASSEMBLY Continued from Page 5

The two-hour session, "Sharing in a Most Urgent Work", will not only say, "Do it", but it will illustrate "How to do it". The participants will be delegates from several congregations under the direction of Harry A. Fetzik, district supervisor from the Witnesses world headquarters in Brooklyn, New York.

Model situations in home-like settings will be presented on stage. The audience will be shown how to teach the Bible effectively, how to train inexperienced fellow-Witnesses, and how to adjust one's home life to make time for teaching others without neglecting one's own family.

The Witnesses believe that teaching the Bible to others is not a selfish, sectarian effort to get "joiners", but is in obedience to Jesus' command "to make disciples of people of all nations". These "disciples" learn from the Holy Bible that God will soon bring about law and order through the rule of his Kingdom.

In his closing remarks Sunday, Fetzik will encourage his fellow Christians by reviewing the benefits of "Not Giving Up in Doing What is Fine".

On Easter Sunday morning there will be two services, 9:30 and 11:00. There will be two different sermons and special music by Trinity Choir. At 7:00 the Trinity Choir will present "Worship Service in Music".

The new nursery was attended by Lucille Richardson and the first two cared for were Brent Richardson and Timothy Hill.

by Joanie Cross

On March 14 our Contest Play entry, "The Bad Children", was presented in Greenville for the area qualification. They were chosen to represent this area at Bowdoin College for the state contest on March 21. They did not come home with first prize, but I am sure they gave it their best. A great deal of work went into its production. John Arnold directed it and Robert Gray and Ricky Salley were state managers.

The highest award that can be earned in the Cadette Girl Scout Program is the first class badge. The requirement to be met is to earn a minimum of six Cadette Badges and to meet successfully the challenges of social dependability, emergency preparedness, active citizenship and Girl Scout Promise.

The following girls were awarded this badge in ceremonies at the Elementary School building in Dover-Foxcroft during Girl Scout Week: Jane Warren, Suzanne Peters, Debbie Nutting (back) Grace Dean, Nancy Rollins, Dorothy Cogg and Diane Sands. All girls are members of the Freshman Class at Fossier Academy.

Milo Middle School students recently evicted from their own building by fire have settled into their new surroundings at the Penquis Valley High school with relative ease. While a few may find their desks rather large, on the whole they are reported to be enjoying themselves. It is hoped no further disaster befalls the school system this year.

Music directors for this event will be Priscilla Smith of Mars Hill and Frank Clark of Guilford.

Asked what he thought of the two candidates for the election, an enlightened voter replied: "Well, when I look at them I'm thankful only one of them can get elected."

MILD

LEGION AUXILIARY TO SPONSOR GIRLS STATE DELEGATES

Mrs. Marie Page, local American Legion Auxiliary chairman for Dirigo Girls State, reports that delegates are now being selected and applications processed at Penquis Valley High School.

Dirigo Girls State is a program sponsored by the American Legion Auxiliary, Department of Maine; this year marks the 23rd annual session, and will be held at Colby College, Waterville (Maine), June 15-21.

Girls State is a practical application of Americanism and good citizenship. It is a non-partisan, non-political attempt to teach and inculcate in the youth of America a love of God and Country. It is not a camp of vacation for the underprivileged girls—it is a School of Government from which the highest type of girl will reap the greatest benefit, not only for herself, but for her school and community.

Its purpose is to provide citizenship training for girls of high school age in every constituent Department of the American Legion Auxiliary; to afford them an opportunity to live together as self-governing citizens; to inform them of the duties, privileges, rights and responsibilities of American citizenship, in order that they may understand and participate in the functioning of their government; and to help them grasp the meaning of some of the responsibilities which they must assume as they become adults.

Those eligible are girls in their junior or third year of senior high school who meet the following qualifications: (1) Leadership; (2) Character; (3) Courage; (4) Honesty; (5) Scholarship (Upper half of class); (6) Cooperativeness; (7) Physical Fitness.

In addition to local units of the American Legion Auxiliary who are the sponsors; any civic, fraternal or patriotic organization, as well as interested groups or individuals may be contributing sponsors.

From the Pastor's Desk

HUMILITY IN THE TEACHING OF JESUS
By Pastor Carlton Coskey

We have seen humility in the life of Christ, as He laid open His heart to us; let us listen to His teaching. We shall hear how He spoke of humility, and how far He expects men, and specially His disciples, to be humble as He was. We can study various passages dealing with humility but often just quoting we will receive the full impression of how often Jesus earnestly taught humility. In the commencement of His ministry, in the Sermon on the Mount, Jesus taught humility as He taught the Beatitudes.

The very first words of his proclamation of the kingdom of heaven reveal the open gate through which alone we enter: "Blessed are the poor in spirit; for theirs is the kingdom of heaven." (Mt. 5:3) The poor, who have nothing in themselves, to them the kingdom comes. To the meek, who seek nothing in themselves, the earth shall be theirs. The blessings of heaven and earth are for the lowly. For the heavenly and the earthly life, humility is the secret of eternal blessing.

Jesus tells us what the Spirit both is, which we see in the life of Christ, and how far He expects men, his heart to be humble. In God's kingdom. We have heard how he speaks of humility, and how far He expects men, his heart to be humble. In God's kingdom. He offers meekness and humility, but the meek will inherit the earth. (Mt. 8:26)

It was with great satisfaction that we read this week of the plan taken by Senators Margaret Chase Smith and Senator John F. Kennedy, and Mrs. Charles Haines, Seltke Hillard is a patient at the Mayo Hospital.

The leaders of the Girl Scouts and the Brownies gave them a party Tuesday afternoon. The Brownies gave their "Promise" and sang songs, and the Scouts put on a skit. Refreshments were served.

Mrs. Barbara Troy, Vicki and Matthew were in Saco on Wednesday and called on Mrs. Emma Matthews. Vicki remained for a week's visit.

I tided my hound dog up today
Just to sany within the law
And he's so go! blamed made at me
He won't even shake a paw.
He has a sweet heart down the street
That he always went to see
And maybe that's the reason
That he's so damn mad at me.
All day long he sits and stares
His eyes just shooting sparks.

The only time he wags his tail
Is when his girl friend barks.
He used to chas the neighbors cats
He kept them off my land
But now they have the right to roam
And he just can't understand.
But evry time a law is passed
Some one has to pay.
And I guess it's just a dog's life
That Rover lives today.

Storm Damage

This winter's snow, the heaviest in most resident's memories, is still causing headaches. Accumulated weight caused the garage (above) owned by Mrs. Edna Hanscom on Park Street in Milo to collapse. A trailer on Stoddard Hill owned by Mr. & Mrs. Newbert Spear, who are living in Florida at this time, was also damaged. (Staff Photo)

Bowne said that he would be "terribly disappointed if we didn't get at least 1100 signatures" from those willing to fast. That was the number that signed for a similar project recently at Colby College.

The Student Senate is being assisted in the project by members of the Student Action Corps and the class of 1972 at the university.

YOUR TOWN

If you want to live in the kind of a Town
Like the kind of a town you like,
You needn’t slip your clothes in a grip
And go on a long, long, hike.

You’ll only find what you left behind
For there’s nothing that’s really new;
It’s a knock at yourself when you knock your town
It isn’t the town, IT’S YOU.

Real towns are not made by men afraid
Last somebody else gets ahead:
When everyone works and nobody shirks,
You can raise a town from the dead.

And if you make your personal shake,
Your neighbor can make one, too:
Your town will be what you want it to be
It isn’t your town - it’s you.

BEST SPELLERS
Cont’d from Page 14

Before a small audience in the Team Teaching Room of Pen­quis Valley High School, spellers from MSAD #41, seventh, and eighth grades competed for the title of district spelling cham­pion, and the opportunity to enter the county spelling con­test.

The pronouncer for the "bee", Mrs. Helen Carey, and the judges, Mrs. Madeline Decker, Mrs. Theresa Carver, and Mr. Gilbert Cole, were able to decide who would hold the title of District speller in less than a half-hour of fast and serious spelling. Kathy Rhodes of Milo earned the honor by finally de­feating second place winner Jennifer Watson, also of Milo. Third place went to Debra Bryant of Brownville.

Other contestants and alternates who won places to enter the County Bee were George Brewer, Karen Hanson, and Berryn McLaughlin. Other participants of the District Spelling Bee were as follows: Susan Stickney, Chris Russell, Margaret Dup­lasa, Ann Sawyer, Barrett Graves, Jonathan Cockey, Steven Bunker, and Stephen Zimmerman.

A fine performance by the spellers was accentuated by two folk song selections sung by the trio that included Cindy and Holly Schummert and Susan Stickney.
